Article 2: general

1. These Conditions are - with the explicit exclusion of all other general conditions - applicable to all Agreements. If Fruitone Europe at any time does not require strict compliance with these Conditions, this does not mean that Fruitone Europe waives its right to require strict compliance with these Conditions in future - whether or not similar - cases. Clauses that

- deviate from these Conditions are binding only if agreed in writing and apply only to the case in question.
2. All the clauses of these Conditions are stipulated not only for the benefit of Fruitone Europe, but also for the benefit of the following Persons who can at all times rely upon this third-party clause: (i) the directors and the shareholders of Fruitone Europe (including its indirect directors and shareholders), (ii) all Persons working for Fruitone Europe, (iii) all Persons engaged by Fruitone Europe in the performance of an Agreement, and (iv) all Persons for whose actions or negligence Fruitone Europe could be held liable.
 3. If one or more provisions of these Conditions and/or an Agreement are void or declared void by a court of law, the remaining provisions of these Conditions and the Agreement will remain in force. The void or voided provisions will be replaced by valid provisions that, taking into consideration the purpose and scope of these Conditions and the Agreement, deviate as little as possible from the original provisions.
 4. These Conditions are drawn up in various languages. If there is any difference of opinion regarding the content or scope of these Conditions, the Dutch text will be binding.
 5. Fruitone Europe is at all times entitled to amend these Conditions.

Article 3: contract of sale, commission contract and mgp contract; harvest insurance

1. If Fruitone Europe obtains Products from the Seller without the Parties having concluded an explicit and written contract of sale, commission contract or mgp contract, the Parties will be deemed to have concluded a commission contract.
2. The following applies in the event of a commission contract:
 - (a) Fruitone Europe is not subject to a duty of inspection or complaint in respect of the Products;
 - (b) Fruitone Europe will sell and deliver the Products to third parties in its own name, yet at all times for the risk and account of the Seller;
 - (c) Fruitone Europe will, without guaranteeing any results, strive to realise optimal sales proceeds, taking all circumstances into account;
 - (d) the sales proceeds depend on the quality of the Products and the situation on the - often volatile - market; insofar as Fruitone Europe states indicative sales prices, these will be for information purposes only without the Seller being able to derive any rights therefrom;
 - (e) Fruitone Europe will pay the net sales proceeds as reflected by its sales accounts to the Seller, on the understanding (i) that Fruitone Europe is at all times entitled to set off the net sales proceeds against any paid advances and set off the positive net sales proceeds against any negative net sales proceeds and (ii) that Fruitone Europe at all times makes a reservation as regards subsequent claims by its clients and subsequent credit notes to its clients; "net sales proceeds" within the context of these Conditions are defined as: the gross sales proceeds under deduction of the commission owed to Fruitone Europe and the costs incurred by Fruitone Europe in connection with the sale of the Products, including but not limited to the costs of sea freight, terminal handling charges (THC), documents, import duties, transport, handling, storage, cooling, quality inspections and laboratory tests and if necessary sorting and repacking;

- (f) if - taking into consideration the sales accounts, the payments by Fruitone Europe, subsequent claims by clients of Fruitone Europe and subsequent credit notes to its clients - it is established after conclusion of the programme or the season that the Seller owes an amount to Fruitone Europe, the Seller will (re)pay this amount to Fruitone Europe on demand;
- (g) the Seller will retain ownership of the Products until Fruitone Europe has sold and delivered these to third parties; the risk with regard to the Products will not pass to Fruitone Europe at any time; Fruitone Europe is not required to insure the Products;
- (h) Fruitone Europe is at all times entitled to again make the Products available to the Seller at Fruitone Europe's warehouse, in which case the commission contract will be regarded as terminated without Fruitone Europe being held to pay any compensation, the Seller will recover the Products as soon as possible and the Seller will compensate Fruitone Europe for its costs, including, but not limited to cooling and storage costs.

The other articles of these Conditions also apply (whether or not by analogy) to commission contracts, except if such is not possible due to the nature of a commission contract. Insofar as this article 3 paragraph 2 is in conflict with any other article or paragraph of these Conditions, the provisions of this article 3 paragraph 2 will prevail.

3. The following applies in the event of an mpg contract:

- (a) the Seller will transfer ownership of the Products to Fruitone Europe;
- (b) Fruitone Europe will in any event owe the agreed minimum guaranteed price on condition that the Products fully comply with the Agreement and the Seller fulfils its obligations;
- (c) if the amount of the net sales proceeds is higher than the minimum guaranteed price, Fruitone Europe will also owe the difference between these amounts;
- (d) article 3 paragraph 2 letters c to f of these Conditions apply accordingly.

The other articles of these Conditions also (whether or not by analogy) apply to mpg contracts, except if such is not possible due to the nature of an mpg contract. Insofar as this article 3 paragraph 3 is in conflict with any other article or paragraph of these Conditions, the provisions of this article 3 paragraph 3 will prevail.

4. If Fruitone Europe commits itself to the payment of one or more advances with a view to the delivery or provision of agricultural Products by the Seller under the terms of a contract of sale, commission contract or mpg contract, the Seller will - to the satisfaction of Fruitone Europe - take out and maintain harvest insurance with hail cover, naming Fruitone Europe as the co-insured on the policy sheet and stating that any insurance payments will be made directly to Fruitone Europe. The Seller will provide Fruitone Europe at its first request with a copy of the policy sheet and proof of the premium payments.

Article 4: offers, Agreements

1. In this article, an offer is defined as: an offer by the Seller.
2. In this article, an offer by Fruitone Europe is defined as: a written order placed by Fruitone Europe that deviates from an offer or a written order placed by Fruitone Europe with the Seller without having received an offer.
3. All offers by Fruitone Europe are free of obligation. Fruitone Europe is entitled to revoke its offer within three working days after receipt of acceptance by the Seller.
4. Acceptance by the Seller that, whether or not on subordinate points, deviates from the offer by Fruitone Europe, will at all times be regarded as a rejection of this offer and as a new offer. An Agreement in accordance with this new offer will only be concluded following written acceptance by Fruitone Europe.
5. An Agreement is concluded when:
 - (a) Fruitone Europe accepts an offer in writing; or
 - (b) three working days have expired after Fruitone Europe has received acceptance of its offer from the Seller and Fruitone Europe has not revoked its offer during this period; or
 - (c) Fruitone Europe confirms the Agreement in writing; or
 - (d) Fruitone Europe commences with the performance of the Agreement.
6. Fruitone Europe is not bound to an offer and/or an Agreement at a specified price if said price is based on a misprint and/or a writing error.
7. The Seller is, without the prior written permission of Fruitone Europe, not permitted to transfer in full or part an Agreement or one or more of its rights or obligations under an Agreement. This prohibition has effect under both contractual and property law (as referred to in Article 3:83 paragraph 2 of the Dutch Civil Code).

Article 5: prices

1. All prices are stated in euros unless the Parties agree otherwise in writing.
2. All prices are quoted exclusive of VAT. For the remainder, the prices are "all inclusive".
3. All agreed prices are fixed. Price rises after conclusion of the Agreement, under any heading whatsoever, are and remain for the account of the Seller, irrespective of the period that has passed between the date of conclusion of the Agreement and the performance thereof.

Article 6: guarantee

1. The Seller guarantees that:
 - (a) the Products comply in full with the Agreement, which in any event means that they:
 - correspond with any sample shown or provided;
 - originate from GlobalGap-certified growers;
 - have not been exposed to banned crop protection products;
 - comply with the highest food safety standards;
 - have optimal quality, freshness and shelf life;

- are free of disease (including but not limited to rot), pests, foreign bodies, contaminants, (other) substances hazardous to health and (other) visible and hidden defects;
 - comply with the specifications and requirements formulated by Fruitone Europe and, insofar as these have not been formulated by Fruitone Europe, with the specifications and requirements that apply to Class I Products;
 - comply with (i) all requirements under relevant Dutch and European laws and regulations that apply at the time of delivery or provision, including but not limited to the laws and regulations with respect to Maximum Residue Limits (MRL) and (ii) any supplementary and/or stricter requirements made by clients of Fruitone Europe and about which Fruitone Europe has informed the Seller prior to the delivery or provision;
- (b) the Products are packaged adequately and soundly and in accordance with any instructions by Fruitone Europe, the packaging and packing materials do not constitute a food safety hazard, the packaging is provided with all markings prescribed by law and all statutory labelling regulations are complied with;
- (c) the Products are during the entire transport process transported under optimal temperature and other conditions, without interruption of the cold chain;
- (d) full traceability of the Products is guaranteed and the Seller will, within three hours of a request thereto from Fruitone Europe, digitally provide all relevant information with respect to the Products, including but not limited to the particulars of the growers and the plots, as well as a full and up-to-date registration of the crop protection products used;
- (e) the Seller and the other links in the chain are IFS and/or BRC-certified;
- (f) the Seller will immediately and in writing inform Fruitone Europe of a disaster and the Seller will immediately and in writing inform Fruitone Europe when the Seller (otherwise) expects or knows that the Products and/or the packing materials do not or will not comply with the requirements stated in this article.
2. The receipt, approval and payment of the Products by Fruitone Europe will not entail acknowledgement that the Products comply with the Agreement, do not release the Seller from any other guarantee obligations or liability and are without prejudice to the rights of Fruitone Europe under the Agreement, these Conditions and the law.

Article 7: delivery time, delivery, ownership

1. The agreed delivery time is regarded as a deadline. The Seller will, on exceeding the delivery time, be legally in default. The Seller will immediately notify Fruitone Europe thereof in writing as soon as it knows or should know that performance of the Agreement will not take place at all, on time or properly.
2. Delivery will take place Delivery Duty Paid (DDP) Rotterdam, DDP Schiedam or DDP Flushing (Vlissingen), unless the Parties agree otherwise in writing. "DDP" will be interpreted in accordance with the latest version of the Incoterms.
3. Part deliveries and deliveries before the agreed delivery time can be refused by Fruitone Europe if it has not granted its written permission thereto.

4. Fruitone Europe is at all times entitled to return the packing materials for the risk and account of the Seller.
5. Ownership of the Products will pass to Fruitone Europe at the time of delivery. The Seller guarantees delivery of the full and unencumbered ownership of the Products.

Article 8: inspection and complaints

1. Prior to the delivery of the Products to its warehouse, Fruitone Europe is at all times entitled, but never obliged, to inspect these or have them inspected, which for the purpose of this article is defined as: random and visual inspection. The Seller will lend its full cooperation to such an inspection.
2. Following delivery of the Products to its warehouse, Fruitone Europe will inspect these or have them inspected within a reasonable period of time. If Fruitone Europe has not rejected the Products within four days of the delivery, the Products are deemed approved, subject to the reservation that they have a normal shelf life and do not have any hidden defects.
3. If an inspection is performed prior to delivery of the Products, Fruitone Europe is not subject to any duty of complaint. In all other cases, Fruitone Europe is subject to a duty of complaint in the sense that it must make a complaint within four days of delivery or as much later as it has discovered that the Products do not comply with the Agreement or that the performance by the Seller is otherwise defective.
4. Fruitone Europe is deemed to have made a discovery as referred to in paragraph 3 of this article on receipt of a complaint by one of its customers about the Products and investigation shows that this complaint is founded. Fruitone Europe is in that case permitted to still reject the Products.
5. The Seller may only appeal to any violation of the duty of inspection and complaint resting on Fruitone Europe if any of its concrete interests have been harmed as a result.
6. The violation referred to in paragraph 5 of this article does not lead to the forfeiting of rights on the part of Fruitone Europe.

Article 9: refusal and rejection

1. Without prejudice to its other rights by law and/or the Agreement and/or these Conditions, Fruitone Europe is, in the event of refusal and rejection of the Products, entitled:
 - (a) to return the delivered Products for the risk and account of the Seller and to require fulfilment, whether or not in combination with compensation;
 - (b) to terminate the Agreement and require compensation;
 - (c) to partly terminate the Agreement and require fulfilment for the remaining part, whether or not in combination with compensation;
 - (d) to partly terminate the Agreement by reducing the price (including any agreed minimum guaranteed price); or
 - (e) to sell the Products for the risk and account of the Seller on the basis of a commission contract.
2. The Seller will bear the risk to the Products from the time the Products are refused or rejected in full or part.

Article 10: rights of third parties

Peterselieweg 110/112, 2988 DH, Ridderkerk – The Netherlands

1. The Seller guarantees that the Products and the accompanying packaging and packing materials, all in the broadest sense of the word, do not infringe upon the intellectual property rights or any other rights of third parties and that Fruitone Europe has the unconditional and irrevocable right to import, store, offer for sale, sell or otherwise market, export and otherwise use the Products, all in the broadest sense of the word.
2. The Seller will indemnify Fruitone Europe against all claims by third parties in connection with an infringement or alleged infringement of one or more of the rights referred to in paragraph 1 of this article. The Seller will compensate Fruitone Europe for all losses incurred by the latter as a result of such an infringement or alleged infringement, including the reasonable costs of defence against third-party claims.

Article 11: payment

1. All invoices of the Seller will be addressed to Fruitone Europe for the attention of the accounts payable administration, with reference to the relevant order number, properly specified and in accordance with the invoicing requirements applicable in the Netherlands. Fruitone Europe reserves the right not to handle invoices that do not meet the aforementioned requirements and to return these to the Seller.
2. Unless the Parties have agreed otherwise in writing, payment will take place within 30 days of receipt of the relevant correct and complete invoice or, if receipt and approval of the Products takes place later, within 30 days of receipt and approval of the relevant Products.
3. Payment by Fruitone Europe will first be deducted from the principal, subsequently from any interest owed and finally from any costs owed.
4. Any compensation owed by Fruitone Europe for late payment will not consist of the statutory commercial interest as referred to in Article 6:119a of the Dutch Civil Code, but instead the statutory interest as referred to in Article 6:119 of the Dutch Civil Code.
5. Any compensation owed by Fruitone Europe for costs as referred to in Article 6:96 paragraph 2 letter c of the Dutch Civil Code will not be determined with the aid of the staggered scale of Article 2 paragraph 1 of the Extrajudicial Costs Compensation Decree (*Besluit vergoeding voor buitengerechtelijke incassokosten*), but will instead consist of the minimum amount as referred to in Article 2 paragraph 2 of the aforementioned decree.
6. In the event of full or partial prepayment or payment of one or more advances, Fruitone Europe is entitled to require that the Seller provide adequate security for the performance of its obligations, whether or not in the form of a bank guarantee callable on request by Fruitone Europe and provided by a first-class Dutch bank.
7. Fruitone Europe is at all times entitled to set off the amounts that it owes under any heading to the Seller or an affiliated Person ("Seller et al.") against amounts that Fruitone Europe or any affiliated Person ("Fruitone Europe et al.") may claim under any heading from the Seller et al. The aforementioned right to set off also exists if the payment of the claims is not yet enforceable and if the performance claimed by Fruitone Europe et al. does not correspond with its debt.

Article 12: right of retention and pledge

1. Until such time as the Seller has fulfilled all its obligations to Fruitone Europe under any heading whatsoever, Fruitone Europe will have both a right of retention and pledge to all assets held or to be acquired, either directly or indirectly, by Fruitone Europe in connection with an Agreement. Assets in the sense of this article are defined as: movable property, bearer or order rights, monetary instruments, documents and funds.
2. The Seller has, by accepting these Conditions, committed itself to granting Fruitone Europe a right of pledge as referred to in paragraph 1 of this article. The right of pledge is established by bringing the assets under the control of Fruitone Europe or a third party that will hold the assets for Fruitone Europe, including but not limited to a transport operator or a storage and transshipment company.
3. The right of summary execution will be exercised in the manner determined by law. Private sale is possible with the agreement of the Parties or, on condition that Fruitone Europe has a sound valuation report, if the goods are subject to such rapid spoiling that it cannot in all reasonableness be expected of Fruitone Europe to seek an interim injunction. All judicial and extrajudicial costs incurred by Fruitone Europe with a view to exercising its right of summary execution, including but not limited to the actual costs of legal assistance and valuation incurred by Fruitone Europe, are for the account of the Seller and will be recovered from the (gross) sales proceeds.

Article 13: prohibition of assignment and pledge

The Seller is, without the prior written permission of Fruitone Europe, not permitted to assign, pledge or otherwise transfer or encumber its claims against Fruitone Europe. This prohibition has effect under both contractual and property law. The claims of the Seller against Fruitone Europe are not transferable (in the sense of Article 3:83 paragraph 2 of the Dutch Civil Code) and not pledgeable (in the sense of Article 3:83 paragraph 2 in conjunction with Article 3:98 of the Dutch Civil Code).

Article 14: force majeure

1. The Seller may invoke force majeure only if:
 - (a) the (potential) shortcoming by the Seller is not due to its fault or for its risk pursuant to law, the Agreement, these Conditions or generally accepted standards;
 - (b) the circumstances that constitute the force majeure have arisen prior to when the Seller was obliged to fulfil its obligation; and
 - (c) the Seller informs Fruitone Europe immediately, but in any event within 24 hours after the situation of force majeure has arisen, in writing, specifying the circumstances that gave rise to the force majeure.
2. In the event of temporary force majeure on the part of the Seller, Fruitone Europe is entitled:
 - (a) to grant the Seller postponement of its obligations under the Agreement for a reasonable period not exceeding two months. If the Seller, on expiry of the term, remains unable to fulfil its obligations under the Agreement, Fruitone Europe is entitled to terminate the Agreement;or, at the discretion of Fruitone Europe:

- (b) to terminate the Agreement.
- Fruitone Europe is entitled to terminate the Agreement in the event of permanent force majeure on the part of the Seller.
3. Force majeure on the part of the Seller will in any event not include: shortage of personnel, sickness of personnel, strikes, and default ("attributable failure") and/or unlawful actions on the part of suppliers or transporters of the Seller or on the part of other third parties engaged in the performance of the Agreement.
 4. In the event of force majeure on its part, Fruitone Europe is entitled to suspend performance of its obligations or a part thereof. If the period of force majeure on the part of Fruitone Europe lasts longer than one month or it becomes certain that the period will last longer than one month, Fruitone Europe is entitled to terminate the Agreement in full or part. Force majeure on the part of Fruitone Europe is understood as: every circumstance for which Fruitone Europe bears no subjective blame and which makes it impossible or practically too onerous for Fruitone Europe to fulfil its obligations or a part thereof, including - but explicitly not limited to - force majeure on the part of clients of Fruitone Europe, as well as government measures that hinder or financially impede the import, export or transit of Products.
 5. Termination of the Agreement as referred to in this article will take the form of a written notice to the Seller, without requiring any notice of default or legal intervention and without Fruitone Europe being held to pay any compensation.

Article 15: suspension, termination

1. Without prejudice to its other rights by law and/or the Agreement and/or these Conditions, Fruitone Europe is entitled to suspend its obligations or, without requiring any notice of default or a legal intervention, or to terminate the Agreement in full or in part if:
 - (a) the Seller fails to properly and promptly fulfil any of its obligations;
 - (b) Fruitone Europe has good grounds to fear that the Seller will default in the fulfilment of one or more of its obligations;
 - (c) the Seller is declared bankrupt or its bankruptcy has been applied for;
 - (d) the Seller has been granted a, whether or not provisional, suspension of payments or an application thereto has been filed;
 - (e) the Seller is declared subject to a statutory debt rescheduling scheme or an application thereto has been filed;
 - (f) the business of the Seller is liquidated; or
 - (g) the assets of the Seller are subject to executory attachment or subject to prejudgment attachment which is not lifted within one month of the date of attachment.
2. If the default of the Seller under law, the Agreement and these Conditions takes effect only after notice of default, Fruitone Europe will, in the case referred to in paragraph 1(a) of this article, not proceed with full or partial termination of the Agreement until it has provided the Seller with a written reminder stating a reasonable term for fulfilment, which term was not complied with.
3. If Fruitone Europe terminates the Agreement in full or in part, it is not obliged to pay any compensation and all its claims against the Seller will immediately become payable in full.

Article 16: liability

1. The Seller is liable for all direct and indirect losses incurred by Fruitone Europe and/or third parties as a result of attributable failure on the part of the Seller or as a result of attributable unlawful acts or omissions by the Seller or by a subordinate, non-subordinate or representative of the Seller.
2. The loss as referred to in paragraph 1 of this article comprises, but is not limited to, all penalties (including contractual penalties) imposed on Fruitone Europe, all loss and costs related to a product recall at the initiative of the competent authorities and/or the Seller and/or Fruitone Europe and all internal and external costs of Fruitone Europe related to determining the loss and liability and to the collection of damages, including but not limited to the actual costs of attorneys, bailiffs, experts and translators incurred by Fruitone Europe.
3. The Seller will indemnify Fruitone Europe against all third-party claims for the compensation of loss as referred to in paragraph 1 of this article. The Seller will compensate Fruitone Europe for the reasonable costs of defence against the aforementioned claims. The Seller will not be obliged to indemnify Fruitone Europe insofar as the loss is the direct consequence of intent or deliberate recklessness on the part of Fruitone Europe or its management.
4. For application of this article, third parties will include personnel, employees and clients of Fruitone Europe.
5. The Seller will take out and maintain adequate insurance to cover the loss as referred to in paragraph 1 of this article. The Seller will provide Fruitone Europe at its first request with a copy of the policy sheet(s) and proof of the premium payments.
6. If Fruitone Europe is liable for losses incurred by the Seller and/or third parties, its total liability for whatever reason is limited to the amount paid out in the relevant case by its liability insurance, increased by the amount of the excess which is not for the account of the insurers according to the policy conditions. If, for any reason whatsoever, no insurance payment takes place, the total liability of Fruitone Europe for whatever reason is limited to the amount of the net invoice value of the relevant Products, being the price excluding turnover tax and other taxes and levies and excluding transport costs or, in the event of a commission contract, the amount of the net sales proceeds of the relevant Products, subject at all times to a maximum of €5,000. Fruitone Europe is not liable for - and the Seller is required to take out insurance against - indirect loss, consequential loss, trading loss, stagnation loss, loss of profit, missed savings, loss resulting from claims by customers of the Seller, loss of customers, loss of goodwill and reputational damage. Fruitone Europe will not invoke a limitation of its liability insofar as the loss is the direct consequence of intent or deliberate recklessness on the part of Fruitone Europe or its management.

Article 17: applicable law, disputes, litigation and arbitration costs

1. The legal relationship between the Parties is governed by Dutch law, with exclusion of the Vienna Sales Convention.
2. With due observance of the provisions of paragraph 3 of this article, all disputes between the Parties relating to an Agreement and/or these Conditions will in the first instance be

submitted exclusively to the Court of Rotterdam (proceedings on the merits) or the interim injunction judge of the Court of Rotterdam (interim injunctions and other provisional measures), without prejudice to the right of Fruitone Europe to submit a dispute to any other competent court.

3. In case the Seller is domiciled in a country that is a party to the New York Convention of 10 June 1958 on the recognition and enforcement of foreign arbitral awards and where neither Regulation (EU) 1215/2012 of 12 December 2012 on jurisdiction and the recognition and enforcement of judgments in civil and commercial matters (recast) (Brussels I bis Regulation) nor the Lugano Convention of 30 October 2007 on jurisdiction and the enforcement of judgments in civil and commercial matters (the new Lugano Convention) applies, disputes between the Parties will be resolved in accordance with the Arbitration Rules of the Netherlands Arbitration Institute ("the Rules"). Article 14 paragraph 4 of the Rules will not apply. The arbitral tribunal will consist of three arbitrators. The place of arbitration and the place of the oral hearing(s) will be Rotterdam. The proceedings will be conducted in English. The arbitral tribunal will decide according to the rules of law.
4. The costs related to judicial and arbitration proceedings, including but not limited to the actual costs of attorneys, bailiffs, experts and translators incurred by Fruitone Europe will be for the account of the Seller if it is held to be entirely or predominantly in the wrong.
